Council #112 New Year's Bulletin

Dear Brothers,

It is an honor and privilege to be named your new Grand Knight starting January 1st. I promise you my best efforts and will be making a concerted effort to be more aggressive in communicating with each of you and in making #112 a lively and active council. The Council is grateful to PGK Roger La Fleur and we hope he will remain an active council brother.

My primary purpose of this "newsletter" is to share with you some of the upcoming events of the council and invite you to join us. There is a new energy in Council #112 and we want you to be a part of it.

We've just come off a very lively last three months – with one of our best social dinners in years, a huge clean-up crew at the Carmelite Monastery, another successful Christmas Tree sale and an awesome Christmas Party, providing gifts to 29 children, an almost 50% increase over 2013. Brother Martin Tully has KofC hats for purchase and Brother Darce Bush has t-shirts and polos for purchase – so we can proudly display and promote our council.

If you haven't joined us at a business meeting in several months or several years, we want you back. Our business meetings are held to a strict one-hour time limit and we want to know what programs you'd like to see the council undertake in 2015.

Again, I thank you for this honor and please know new ideas are always welcome.
